

Alejandro F. Sosa

Major and Intelligence Officer, United States Air Force
Cell: (732)-500-7534 / Work: (910)-927-7275 Af.sosa89@gmail.com

Demonstrated Abilities

Over 10 years of Signals Intelligence experience, including tactical collection, analysis and production, authority and policy management, and training and program management. Six years of joint special operations experience working on time-sensitive and global missions. Leadership skills: provides mentorship, guidance, accountability, and program management for multimillion-dollar projects and over 700 personnel; Public Speaking: hand-selected for executive-level speaking engagements. Delivered tailored seminars to 5 separate 500+ attendee conferences from diverse intelligence community agencies, including Secretary of the Air Force, Office of Undersecretary for Defense, Air Force Space Command, NASIC; trained and mission qualified as an aircrew member linking tactical airborne assets with all-source national and theater intelligence organizations/assets for near real-time ISR fusion, analysis, cross intelligence cueing, battlespace management, superior situational awareness. Excellent verbal and written communication skills;

Professional Experience

724th Intelligence Squadron, Pope Army Air Field, NC May 2023—Present

Major, Director of Operations and Group Deputy A2

Managed the daily operations of a selectively manned intelligence squadron of 84 personnel, ensuring seamless execution of mission-critical activities. Deputy A2 for a Special Tactics Group of over 780 personnel. Directed multidisciplinary teams of active duty, civilian, contractor, and reservists across 5 AFSC's, overseeing training, resource allocation of a \$1.1M budget, and operational readiness to support national security objectives. Managed SIGINT, EW, HUMINT, GEOINT, and OSINT programs. Fostered collaboration with interagency and international partners to enhance operational effectiveness and achieve strategic goals. Oversaw the largest intelligence deployment in squadron history, with over 28% of the squadron deployed in support of a presidentially directed mission.

Joint Special Operations Command, Ft Liberty, NC June 2022—May 2023

Major, Sensitive Activities Collection Requirements Manager

Managed global sensitive activities collection requirements. Coordinated with 7 Joint Special Operations Units and five geographic combatant commands in order to align placement and access to critical collection requirements. Ensured over 2K uninterrupted hours of collection in support of a presidentially directed mission.

Joint Task Force 94-7, CENTCOM February-June 2022

Major, Task Force Deputy J2

Deputy J2 for four joint special operations task forces totaling over 3,000 joint and combined personnel across three geographic combatant commands. Ensured tailored intelligence support met commander objectives in order to execute presidentially directed missions. Oversaw the protection of multiple congressional delegations and other VIP's through combat zone.

Joint Special Operations Command, Ft Liberty, NC October 2020—February 2022

Captain, SIGINT Authorities and Policy Branch Chief, J2 Directorate

Branch Chief for five Joint personnel, including military, civilian, and contractors. Advised 7 SOF units and 9 Regional and Joint Task Forces on the conduct of full spectrum Signal Intelligence Operations across five geographic combatant commands. Liaised with Intelligence Community and combatant command staff personnel to coordinate the approval and execution of time-sensitive operations. Ensured Joint and Combined Special Operations Unit Signals Intelligence operations

complied with US policy.

7th Intelligence Squadron, Ft Meade, MD July 2019—October 2020

Captain, Assistant Director of Operations & Chief of Operations, Air Force Special Support Group
ADO for a squadron of 470+ airmen and civilians who leverage national-level intelligence capabilities within special access channels to satisfy diverse Air Force requirements relating to space, cyberspace, and capabilities development. Responsible for daily management, oversight, and auditing of 9 mission areas. Develops and implements office standard operation policies as well as training goals and targets. Manages airmen from both deployed locations and home station. Responsible for management of HHQ tasks as well as management of the squadron's 4 Operating Locations.

7th Intelligence Squadron, Ft Meade, MD June 2017—July 2019

Captain, Flight Commander & Chief of Operations, Air Force Special Support Group
Commander of flight of 84 airmen and civilians who leverage national-level intelligence capabilities within special access channels to satisfy diverse Air Force requirements relating to space, cyberspace, and capabilities development. Responsible for daily management, oversight, and auditing of 9 mission areas. Develops and implements office standard operation policies as well as training goals and targets. Manages airmen from both deployed locations and home station.

Squadron Officer School, Maxwell AFB, AL April – May 2017

Student, Centurion Flight

Key member of the most successful flight during class 17D. Won Chief of Staff Flight (1/41), Right of Line Flight (1/7) and Apollo 13 Problem-Solving award flight (1/41). Competitively selected out of 553 applicants to participate in SOS Think Tank. Developed solution to critical USAF manning issue, authored 16-page report, and delivered 30-minute brief to General Alexander, Headquarters Air Force Commander for Personnel and Manpower. (HAF/A3)

763rd Expeditionary Readiness Squadron September—December 2016

Captain, Senior Intelligence Officer, Chief Mission Management / Lead Information Integration Officer
Led Mission Management Cell, Lead Intelligence officer in mission planning team, providing support for emerging operations in AFRICOM. Planned USAF integration in joint and combined operations primarily focusing on contingency operations in support of Operations INHERENT RESOLVE, FREEDOM SENTINEL, RESOLUTE STEEL, and several other classified named operations. Critical node in imminent threat warning, personnel recovery, and the dynamic targeting cycle. Awarded "Team of Quarter" for Al Udeid Air Base #1/236 units for superior performance.

97th Intelligence Squadron, Offutt AFB, NE June 2015—June 2017

Captain, Flight Commander, Mission Management

Commander of Flight of 20 airmen; Conducts COCOM and Higher Headquarters (HHQ) level coordination for each assigned mission; Coordinates tasking updates with COCOM based on new RC-135 capabilities; Attends weekly 55 WG scheduling meeting with DO; Consolidates Crew Manning Letter for assigned Areas of Responsibility (AORs) quarterly for review and annually for publishing at 55 OG; Coordinates with 55 ISS on Cryptologic Mission Management issues

38th Expeditionary Readiness Squadron December 2015— January 2016

First Lieutenant, Information Integration Officer

Functional responsibilities included coordinating air and space-borne intelligence information, with similar agencies across multiple defense services and countries while aboard the Rivet Joint, RC-135. Primarily focusing on Counter Narcotics operations against the FARC, BACRIM, and Cartels. National to Tactical level information integration node in battle space, responsible for analysis and dissemination of time-critical information to supported ground units.

612th Air Operations Center November—December 2015

First Lieutenant, RC-135 Liaison Officer

De-conflicted and facilitated information exchange between 38th ERS, 55th Wg, AFSOUTH CAOC, USSOUTHCOM, and other stakeholders. Kept the Combined Forces Air Component Commander informed of aircraft status, aircraft availability, and aircraft movement within the AOR/CONUS,

including missions and redeployments. Responsible for drafting, submitting, and tracking diplomatic clearances for aircraft movement within the AOR within the guidelines laid out by the foreign clearance guide.

763rd Expeditionary Readiness Squadron March—June 2015

First Lieutenant, Lead Information Integration Officer

Functional responsibilities included coordinating air and space-borne intelligence information with similar agencies across multiple defense services and countries while aboard the Rivet Joint, RC-135. Primarily focusing on contingency operations in support of Operations INHERENT RESOLVE, FREEDOM SENTINEL, RESOLUTE STEEL, and several other classified named operations. Critical node in imminent threat warning, personnel recovery, and the dynamic targeting cycle. Awarded “Warrior of the Quarter” in squadron #1/36 Company Grade Officers for superior performance.

97th Intelligence Squadron, Offutt AFB, NE September 2013—June 2015

First Lieutenant, Regional Office Chief—Special Signals Development

Head of office of 50+ Airmen, providing critical information support to global information operations. Ensures training and readiness to meet mission of largest intelligence aviation operations squadron in USAF. Develops and implements office standard operation policies as well as training goals and targets. Manages airmen from both deployed locations and home station.

763rd Expeditionary Readiness Squadron June—October 2014

First Lieutenant, Information Integration Officer

Functional responsibilities included coordinating air and space-borne intelligence with similar agencies across multiple defense services and countries while aboard the Rivet Joint, RC-135. National to tactical level information integration node in battle space, responsible for analysis and dissemination of time-critical information to supported ground units. Awarded “Warrior of the Quarter” in squadron #1/36 Company Grade Officers for superior performance.

338th Combat Tactics Squadron, Offutt AFB, NE September 2013—March 2014

Second Lieutenant, Information Integration Officer (IIO) Student

Began IIO Initial Qualification training and Mission Qualification training which was comprised of familiarity and utilization of Rivet Joint RC-135 aircraft systems, flight procedures, applicable regulations, and unit Standard Operating Procedure. In addition, received “Advanced Skill Training” in “Intelligence, Surveillance, and Reconnaissance” (ISR) employment and capabilities. Graduated program with a 97% academic average. Additional Survival, Evasion, Resistance, and Escape (SERE) training accomplished, which included additional advanced leadership training under austere conditions, as well as stress management techniques and critical decision-making training.

315th Training Squadron, Goodfellow AFB, TX November 2012—August 2013

Second Lieutenant, Security Manager

Began USAF 14NX Intelligence Course. Trained to perform and manage intelligence functions and activities to support United States and allied forces; conduct information operations such as analysis of information vulnerability. Included are intelligence operations and applications activities; collecting, exploiting, producing, and disseminating foreign military threat information; geospatial information and services (GI&S) data application; developing intelligence policies and plans; and utilizing human, signals, imagery, measurement, and signature intelligence. Graduated program #4/37 with a 95% academic average.

Significant Awards

2024 AFSOC ISR FGO of the Year

2023 24 SOW FGO Q1 and Q4

2022 SOCOM ISR CGO of the Year

2022 JSOC CGO Q2 and Q3

2021 SOCOM ISR CGO of the Year
2020 16 AF ISR CGO of the Year
2019 70th ISRW ISR CGO of the Year

Special Qualifications

2023 SOCOM Counter-Weapons of Mass Destruction Course
2022 SOCOM Planning, Programming, Budget, and Execution Course
2018 Space and Missile Formal Training Unit
2018 CompTIA Networking +
2018 CompTIA TCP/IP certification training
2016 Flight Safety Program Manager Certified
2016 Conduct After Capture
2016 Combat Survival
2016 Water Survival
2016 Special Survival Evasion Resistance and Escape
2015 CGO SIGINT Orientation Seminar (Formerly SIGINT IFTU)

Education

National Intelligence University; ICC-B, Bethesda, MD
Masters of Science and Technology Intelligence Prospective Class of 2024

Air Command and Staff College; in correspondence; Maxwell AFB, Montgomery, AL

Squadron Officer School; Maxwell AFB, Montgomery, AL

Intelligence Officer Technical Proficiency School; Goodfellow AFB, San Angelo, TX

American University, Washington, DC
Bachelor of Arts in the School of International Service, May 2012
Interdisciplinary degree: Arabic and Middle Eastern Cultural Studies

University of Aleppo, Aleppo, Syria *Intensive Language and Culture Immersion program*
January 2011-May 2011
